

JR. HIGH SUNDAY SERVICE

Let's take a moment to think about the past few weeks...as a ministry we've learned that when things are looking hopeless, there is light because God steps in. Today, take some time to reflect on God's goodness.

Activity: Worship Lyrics

Pick a worship song to focus on every day this week. If you need suggestions, the Songs for Jesus Time Playlist on Spotify is a great start! Or you can watch the worship on the Worship Now page on the Messiah website. Print out the lyrics or look them up online and write your response to each part of the lyrics. How can they relate to your life now? How can you use these defy your situations?
